Sir:

The Notification of Defective Response mailed September 1, 2009, in the above-identified application, is noted. This Notification indicated that the previously submitted Declaration of the inventors does not comply with 37 CFR 1.497(a) and (b) in that it has added inventors without documentation in connection therewith.

In response thereto, enclosed please find respective Notifications of the Recording of a Change each mailed June 26, 2006, in connection with International (PCT) Application No. PCT/JP2005/000070, filed January 6, 2005, that is, Form PCT/IB/306, adding Kazuo Yamaguchi and Aya Fujii as inventors in connection with the aforementioned International application. The third Notification of the Recording of a Change (Form PCT/IB/306) enclosed herewith changes the name of the Applicant of the aforementioned International application, from Hitachi Chemical Co., Ltd., to Hitachi Chemical Company, Ltd. The fourth Notification of the

Recording of a Change (Form PTO/IB/306) enclosed herewith changes the company name in the address for the originally named four (4) inventors in the International application.

In view of the two Notifications of the Recording of a Change mailed June 26, 2006, naming additional inventors, it is clear that the named inventors for the above-identified U.S. National Stage application and the named inventors of the aforementioned International application are the same. Accordingly, acceptance of the Declaration under 37 CFR 1.63 submitted May 27, 2009, as complying with 37 CFR 1.497(a) and (b) and transfer of the above-identified application to the appropriate examining group for examination on the merits, are respectfully requested.

To the extent necessary, Applicants hereby petition for an extension of time under 37 CFR 1.136. Kindly charge any shortage of fees due in connection with the filing of this paper, including any extension of time fees, to the Deposit Account of Antonelli, Terry, Stout & Kraus, LLP, Account No. 01-2135 (case 1303.46354X00), and please credit any overpayments to such Deposit Account.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
